UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS FOR THREE MONTHS ENDED 31 DECEMBER 2020

(Expressed in Trinidad and Tobago dollars)

First Citizens

Chairman's Report

At the end of this first quarter, the effects of the global pandemic on our economy continue to impact the operations of our First Citizens Group. This is reflected in our financial results for the three months ended December 2020 with a profit before tax of \$232.9 million. Profit after tax amounted to \$173.9 million which represented a 21.9% decline when compared with the corresponding prior year period. This stemmed primarily from the decline in interest income underpinned by reductions in interest rates and the reduction in foreign exchange trading, fees and commissions. Total Assets valued at \$47.8 billion, showed a 0.7% increase from September 2020. Gross Loans declined by 2.0% from \$19.5 billion to \$19.1 billion, while Investments remained relatively stable at \$16.5 billion. Customer Deposits (as part of Customer Deposits and Other Funding Instruments) grew by 3.5% moving from \$28.9 billion to \$29.9 billion. Expenses reflected a marginal improvement relative to the same period last year of \$277.4 million as compared with \$285.6 million at December 2019. Our earnings per share amounted to \$0.69, as compared with December 2019 of \$0.89.

The First Citizens Group continues to recognize the need for a balanced approach out of consideration for its shareholders while ensuring organizational sustainability. The Board has declared an interim dividend of \$0.36 per ordinary share which represents a reduction of 18% over the corresponding prior period. This dividend will be paid on 26 February 2021 to shareholders on record as at 10 February 2021.

The outlook for a global rebound, in the short term, is cautiously optimistic although regionally, growth is expected to be much more delayed in tourism-dependent economies. In the local economy, credit response remains sluggish, however, the non-energy sector already appears to be on the uptick with investments in the construction and manufacturing sectors. While our customers and communities continue to find ways to cope with the challenges presented by the COVID-19 pandemic, the First Citizens Group continues to embrace technology to enhance our customer interaction in a safe and efficient manner. Our commitment to all our stakeholders remains at the forefront of all our efforts to provide sustainability and growth.

I wish to acknowledge the continued loyalty and support of our staff during this period. I also extend sincere gratitude to our customers, my fellow directors and all other stakeholders for their invaluable contributions towards the success of the Group.
